

COURSE TITLE:

PROGRAM PENINGKATAN AKADEMIK PERINGKAT GCE A (MATHEMATICS)

Training Provider: **PUSAT PEMBELAJARAN SEPANJANG HAYAT**

COURSE OBJECTIVE

The objective of this program is to help the students in upgrading their academic 'A' Level result by obtaining credit in Mathematics subject. In addition, the students are able to develop a set of transferable skills. These include the skill of working with mathematical information, as well as the ability to think logically and independently, consider accuracy, model situations mathematically, analyse results and reflect on findings. Learners can apply these skills across a wide range of subjects and the skills equip them well for progression to higher education or directly into employment.
